

Paper chain Caterpillars

1. Get a green strip and stick the end.
2. Put it into a ring.
3. Put the next strip in.
4. Fold it into a ring then stick it down.
5. This is the start of the caterpillar. It can be long or short.
6. Can you stick on different things to turn it into a caterpillar?

Paper chain Caterpillars

1. Get a strip and stick the end.
2. Put it into a ring.
3. Put the next strip in.
4. Put it into a ring.
5. Stick it.
6. This is the chain.
It needs to be long.
